

## OBSTETRICS & GYNECOLOGY

University of Washington Medical Center

Dear Student,

We would like to welcome you to your Obstetrics and Gynecology Basic Clerkship. During this six week clerkship you will have the opportunity to apply and increase your knowledge in both clinical and didactic settings. Our faculty members enjoy teaching, especially in a one-on-one basis. We hope you will take advantage of their expertise and learn as much possible; do not be afraid to ask questions.

Your orientation will take place in Missoula on the first morning at 9:00AM. You should review pelvic anatomy before the orientation, as well as read the enclosed Student Course Guide. You will find the web based Course Guide especially useful because it contains a description of the clerkship, course requirements, and an explanation of the evaluation instruments. The Guide also includes the required topics for course reading. It will be to your benefit to be familiar with all the topics listed, either through experience or through reading.

If you are not residing in the area and need to move into the student apartment, contact Dr. Givler for additional information. Details of your rotation schedule will be available to you at the site. You will need your black bag of instruments for clinic.

Western Montana Clinic  
Comm. Med. Ct. Campus  
Physicians' Bldg. #3  
2825 Ft. Missoula Road  
Missoula, MT 59801

Complete, up-to-date clerkship and schedule information is available online at:

[www.obgyn.uwmedicine.org/clerkship](http://www.obgyn.uwmedicine.org/clerkship)
